

# Grand Bethel Programs

## Visitation/Ritual:

This program is meant to increase the travel and ritual performance for all daughters.

1. Rules:
  - a. To enter this contest, a daughter must say a memorized charge (station and duty) to the Director of Epochs or Bethel Guardian of a Bethel that is not her own at an event of that Bethel. The adult will fill out the daughter's form (forms available in the fall). We are looking for effort, not perfection.
  - b. At the end of the term the daughter will scan her form and email it to me (or mail it).
  - c. A daughter can do up to 19 stations for the year—each station no more than once.
  - d. Each signature in a given term must be from a different Bethel, but a daughter is allowed to say another charge at the same Bethel in the next term.
  - e. At the end of the term, the daughter with the most signatures, will be recognized.

## Social Media:

This Program is meant to increase the visibility of Job's Daughters to the public, especially the friends of our daughters.

1. Rules:
  - a. Daughters will be encouraged to post about Job's Daughters on any or all of their social media pages during the 2017-18 year.
  - b. The posts must be about a Job's Daughter's function and must present Job's Daughters in a favorable light. Posts with pictures are preferable.
  - c. All posts must use the hashtag #oregonjobsdaughters.
  - d. At the end of each month the number of posts will be tallied and the top three people with posts will be announced in my monthly letters. At the end of each term, the posts will be tallied and the daughter with the most posts will be recognized. At the end of the year a prize will be given to the daughter with the most posts.

I understand that not all daughters will be able to participate in either or both of these programs, so participation is not required. I can only encourage participation for those who can. I think that they will be fun, that they will better connect us with each other, and that they will help make us more visible in a good way.
