

Hello lovelies!

The installations are over and now it is time for our terms to really begin. I know that Oregon Jobs Daughters will be very busy this spring.

I want to tell everyone about a few big events coming up:

March 3<sup>rd</sup> will be our annual state-wide initiation in Salem at the Scottish Rite Center. The Grand Bethel Officers will perform the ceremony and all girls from the state are encouraged to attend. We need a full corps of officers to perform the ceremony, so please let me know as soon as possible if you cannot attend. I have heard that we will have girls to initiate, so let's all come to welcome them. The Masonic group that puts on this event for us gives prizes for the youth group (Job's Daughters, DeMolay, and Rainbow) that initiates the most members that day, so if you have prospects, now is the time to bring them in. They also give a prize for the group that has the most members in attendance, so, even if you aren't a Grand Bethel Officer this year, please come if you can.

Also on March 3<sup>rd</sup>, as if the state-wide initiation wasn't enough, we will also have DJR (DeMolay, Job's, Rainbow). This is a dance and talent show for the 3 groups... and the Masons also give prizes for the talent show. Again, it would be great to have as many Jobies there as possible. If you have a talent, please plan to show it off. Some examples are singing, dancing, playing a musical instrument, signing, and comedy

March 23-25 is our Grand Bethel Weekend. It will be at McKenzie High School in Blue River (about an hour east of Eugene). Arrivals begin at 6 pm on Friday and check-out will be around noon on Sunday. The cost will be \$35-40 per person. Not only will this be a fun weekend, but it will also include the elections of our Grand Bethel Honored Queen and Senior Princess and discussion of several amendments to our bylaws that have been proposed. It is an important part of Job's Daughters that the girls have voice in our organization, so I hope that everyone has the opportunity to come. The Supreme team will also be with us that weekend, so this is our chance to show them how amazing Oregon is. Please mark your calendar and watch for the flier in the March mailing.

Here is the cumulative update on #oregonjobsdaughters:

1. Josephine Caudillo from Bethel 43 with 24 posts
2. Christanee Tibball from Bethel 4 with 12 posts
3. Kayleigh Pierson from Bethel 43 with 10 posts

Shout out for Mrs. Caudillo for her posting of 19! There is also recognition to be given to Bethel 43's Instagram page, they started it recently and are working to document their events and show what a good time they are having!

Happy hashtagging!
