

February 2019

Dear Guardians and Guardian Secretaries,

Below is an updated list of our Job's Daughters Grandparents at Jennings McCall. This list is as of 12/31/18.

Our "Grandparents" are very dear to all of us and the residents at Jennings McCall who have signed up for this love to hear from the daughters, whether it be a visit or a card being sent to them. The list contains the birthday for each grandparent and it is especially nice if they receive cards celebrating their birthday and holidays. But let me add, you are all doing a great job and the grandparents love you!!

As you may know, some Bethels assign a daughter each meeting to send a note to their grandparent and I would really encourage each Bethel to do that. Also, try and plan a visit to the home. The note and/or visit from the daughters may be the only visit or remembrance they receive.

If you have any questions or concerns, please don't hesitate to let me know.

Jobie Love,

Jodie Tibbetts
