The scholarship dinner on Jan. 27, 2019 is being hosted by the Amaranth and Eastern Star and this year they are doing something special by honoring an adult leader from each of the youth groups. It was my pleasure to choose that Job's Daughters honor Lynda Stone for her dedication and many years of service. I would like to invite all adults and masonic supporters that work with your Bethel's to attend this dinner. Not only does the money go directly back to fund our Jobie scholarships but I would like to show our support and gratitude by honoring Lynda.

Please advertise this to any folks working with your Bethels and encourage all to rsvp and attend.
