The camp has wifi service, so cell phones and other devices are welcome and will be useful during some classes and activities (use will also be prohibited during specific times). Bringing devices is completely optional—don't try to use this as an excuse to get your parents to buy you one!

Camp is later this year, so the weather is likely to be cooler or wet. Please bring sweatshirts and warm clothes. Boots may be a good idea, if you have them.

Showers are available at camp (in a separate building from sleeping quarters).
