Gresham, Oregon Bethel# 19 Travels to Idaho

My Bethel Sisters and I went to Boise, Idaho on a wild 36 hour trip to participate in the May 7th Race For The Cure. Going to the race was my project for the term and without the help of my Bethel it would not have been a successful event. My Aunt Stephanie who lives in Boise was diagnosed with stage four breast cancer. We joined her team "Day By Day" for the race and had so much fun.

There were many people on the team we raced with including, Honored Queen Paije Boyd-Sargent, Senior Princess Logan Larsen, Junior Princess Grace Hamilton, Marshal Autumn Willis, Director of Hospitality Mrs. Nancy Larsen, a dear friend Tiffany, my cousin Misty, my Grandma Shirley and myself My Bethel Sisters and I had a lot of fun and I am sure that if we went again there would be more girls to volunteer to go.

One day I hope we can find a cure for all the breast cancer patients. My Aunt's team raised approximately \$1800.00. After the race my grandpa took us to dinner at Five Guys restaurant and then to Sub Zero for the best ice cream ever. The long drive home got us back in time to spend Mother's Day with our families. I am so glad to be a part of Job's Daughters.
